Archbishop McGrath's GCSE Success

The class of 2019 achieved fantastic success this summer with a bumper crop of outstanding GCSE results to rival any school in Wales. More pupils than ever before achieved 5 top grades with over 50% achieving at least one A grade or above with one in ten pupils achieving at least 10 grades at A or A*.

Pupils on results day were delighted. 88% of pupils achieved at least 10 C grades or above.

"I am so pleased with my results. Thank you so much to the teachers that helped me." Kym Cabinilla

"I am so pleased and happy for all my friends!" Jack Stolzenburg

"I am delighted with my results; hard work pays off!" Shingai Kaseke

"I couldn't be happier and am so grateful to my teachers for all their help and support; I would not have been able to do it without them." Ella Wallace

Headteacher, Mrs Keller, was keen to emphasise the **success of all the pupils**. "Once again the pupils and their teachers have put an enormous amount of effort and hard work into these results. We asked more of the pupils and they achieved more than ever. Pupils are achieving more qualifications than ever before and the results have shown that it is right to ensure pupils get more than one opportunity to sit their examinations. We are proud of all our pupils and there are superb success stories to celebrate. We are so pleased for the pupils and their families. It is also important that we remember to celebrate not only their academic successes but their wider achievements and contributions. I am grateful for the support of both wonderful parents and staff."

Pupils and staff have been incredibly committed and “have been repaid with excellent results for going the extra mile”. Mr Davies, who ran Maths classes after school in Maesteg, was delighted at the “outcomes of the Maesteg massive” and thanked the Headteacher of St Marys and St Patricks, Mrs Jackie Phillips, who hosted the lessons in the primary school.

Dennis Hooper, Chair of Governors, was delighted the school “had sustained superb results year on year” and said “you couldn’t ask for more from the staff and pupils.” The school looks forward to the future successes of the class of 2019 when they return in September to start their A-Levels.
