Date of any amendments made to policy and brief points:

<b>Date</b>	<b>Section</b>
Spring 2022	Document control information entered onto front page

## **Home-School Agreement**

### **As a school we will**

- value all students as individuals;
- promote high standards, excellence in teaching and the development of each student within the school;
- provide National Curriculum courses of study which cater for the needs of all students;
- keep parents/carers informed about their child's progress at least three times per year; and
- inform parents/carers at an early stage of any concerns about their child

### **As a family we will**

- Support the school in seeking high standards of achievement, behavior and dress by following the policies of the school;
- Help my child to work to the best of his/her ability;
- Make every effort to attend events at school, e.g. Parents' Evenings; and
- Support the school by ensuring full attendance and punctuality, and by contacting the school on the first day of absence giving a good reason for absence.

### **As a pupil I will**

- Always try my best;
- Work with my teachers to help me achieve my full potential;
- Show respect for the school and others by behaving in an appropriate way, following the school policies; and
- Always ask for help if I need it so that I may achieve my full potential.

This is a partnership agreement and, while there will be times where each partner may make a mistake, we are in it for the same reason – to ensure the success of each child at the School.

We believe that the education of the whole person is the result of many influences, including those of the Church, the school, parents and the student. Each plays its part in the development of the student spiritually, academically, physically, emotionally and socially.

Therefore, we at Archbishop McGrath Catholic High School agree to provide the fullest possible curriculum in order to foster your spiritual, academic, physical, emotional and social development.
